Respected Sir,

Greetings of the day!

I hope this message finds you well. We are writing to seek your support in creating **four engaging videos** for the thematic **Tuesday celebrations** observed within the ICDS framework. These videos will serve as impactful tools to highlight and promote key messages related to the themes celebrated on these Tuesdays.

Your expertise and experience in developing high-quality visual content make JSI an ideal partner for this initiative. We would greatly appreciate your support in producing these videos and ensuring their timely delivery. Kindly let us know if any further information or inputs are required to initiate this collaboration.

We look forward to your positive response and an opportunity to work together to make these celebrations more impactful.

Warm regards,

--
